

# Energy review game

**Across**

4. A measure of the average kinetic of the individual particles in a substance.

8. What energy is energy in motion ?

9. A resource that can't be used over again is called \_\_\_\_\_.

12. Transfer of heat through electromagnetic radiation through waves or rays is called \_\_\_\_\_.

14. What energy has stored energy ?

15. Which energy has the motion of molecules ?

**Down**

1. Energy can be change from one form to another is called \_\_\_\_\_.

2. Whis energy has the movement of electrons ?

3. Vibrating atoms along a wave is \_\_\_\_\_ energy.

5. What is an example of a renewable resource ?

6. Energy that includes movement is called \_\_\_\_\_ energy.

7. Transfer of heat through a liquid or gas through moving currents is called \_\_\_\_\_.

10. What is an example of an non- renewable resource ?

11. Resource that can be used over again is called \_\_\_\_\_.

13. Transfer of heat between substances that are in direct contact with each other is \_\_\_\_\_.
