

LESSON -6 MONDAY MORNINGS

1. What made Tom groan in pain?

Tom groaned in pain because he did not want to go to school.

2. Was he really suffering or just acting?

Tom was not really suffering; he was just acting.

3. How did Sid react to Tom's action?

Sid remained asleep for a long time as Tom pretended pain due to a mortified toe. Later when Tom woke him up deliberately, he, at first yawned and stretched but after he had brought himself up on his elbow, he was surprised and was really anxious and concerned about Tom. He ran downstairs to inform Aunt Polly.

4. Did Tom finally succeed in making Aunt Polly believe that he was sick?

No, he could not make Aunt Polly believe that he was sick.
