

List of suggested activities for Eco- club

(on environmental awareness and improvement of environment)

- Organise seminars, debates, lectures and popular talks on environmental issues in the school.
- Campaign against banned carry bags, use of loud speakers, banned fire works, recycling of glass and metals, filling of water body in the adjacent area, use of unnecessary horns.
- Field visit to environmentally important sites including polluted and degraded sites, wildlife parks, etc.
- Organise rallies, marches, human chains and street theatre at public places with a view to spread environmental awareness.
- Action based activities like tree plantation, cleanliness drives both within and out side the school campus.
- Grow kitchen gardens, maintain vermin-composting pits, construct water harvesting structures in school, practice paper recycling etc.
- Prepare inventories of polluting sources and forward it to enforcement agencies.
- Maintenance of public places like parks, gardens both within and out side the school campus.
- Mobilise action against environmentally unsound practices like garbage disposal in unauthorised places, unsafe disposal of hospital wastes etc.
- Beautify selected road side area with plants and flowers and put campaign boards to generate awareness.
- Any other innovative programme on environmental issues.

N.B. The above list is indicative. The activities of an Eco-club may not be limited to the above items only.
