1. What is the story of Fidgety Philip about?

The Story of Fidgety Philip is a story of a boy who could not sit still at the dinner table. As described in the poem, Philip moves backwards and forwards in his chair and leaves the glasses plates, spoon and fork scattered all over. By seeing this, Philip's parents look quite cross.

2. What are the characteristics of Philip?

The word Fidgety means restless. The boy exhibits hyper active – behaviour with hyper motor restlessness during sitting.

3. How did the mother react when she saw him misbehave?

The mother was serious and became very angry when he didn't sit still at the table.

4. Make a mind map of the character Philip and the story.
