Quality Policy Statement

Weber Packaging Solutions manufactures and supplies self adhesive labels and labeling systems and has a vision of being our clients preferred partner in the supply of label products and systems. A key platform in meeting this vision is to provide industry leading levels of service and the operation of our ISO9001 accredited Quality Management System along with the application of BRC Global Standards for Packaging and Packaging Materials to enable us to achieve this. To meet our objectives Weber will:

- Ensure that it meets the needs and requirements of its customers and will seek to continually improve the service by the development of necessary programmes.
- Strive to enhance and improve its performance by setting objectives and targets, which are continually reviewed to ensure they are understood, acted upon and met. Objectives shall be established and reviewed by the General Manager at Management Review Meetings or at any stage with reference to the company Quality Manager.
- Comply with requirements and continually improve the effectiveness of the quality management system.
- Provide training, support, resources and encouragement to all its employees to ensure they realise their full potential in meeting the Quality Policy and its objectives.
- Meet any statutory and regulatory requirements that apply to products, processes and activities.
- Establish partnerships with Suppliers and interested parties and will continually develop the partnerships to provide an improved service.
- Identify the key operational processes and links between these processes to function effectively.

This Policy was endorsed by the General Manager of Weber Packaging Solutions UK and Ireland on the 27th of May 2016 and will be communicated throughout the organisation and to all interested parties. It will be reviewed periodically to ensure the future success of Weber.
