

SNS COLLEGE OF NURSING
Saravanampatti (po), coimbatore.

DEPARTMENT OF NURSING
COURSE NAME : BSC (NURSING) II YEAR
SUBJECT : CET
UNIT VII: ASSESSMENT
TOPIC : INTERNAL ASSESSMENT

INTERNAL ASSESSMENT

- It refers to the process evaluating students or staffs by the people who govern it.
- No external authority or office is liable to interfere with the test given to the members of the institution. The only governing body is the head of the institution.

NEED

- To give credit in final assessment.
- To reduce tension associated with final examination.
- To provide link for feedback in teaching
- To evaluate sphere of activity this cannot be alone through public exam.

BASIC PRINCIPLES

- Should be continuous and made by subject teacher, it does not replace exam.
- It uses suitable evaluation tools and techniques.
- Fix proportion of marks according to hours of instructions and importance of subject to nursing.

Contd...

- .Used as a feedback to improve teaching.
- Students should know their internal assessment marks before their final exams.
- Give opportunity to students to improve their internal assessment grade by additional tests, assignment, etc.
- Results must be studied statistically.
- Improve a number of components.

PROCEDURE

- Internal assessment should be comprehensive evaluating all the aspects of student's growth.
- It should be kept separately.
- Through this teachers can change attitude of students favourable towards day to day program.

COMPONENTS

- Subject wise assessment
- Assessment of cocurricular activities.
- Assessment of personality traits.

VALIDITY

- The tool of internal assessment is very powerful if objectively and free from bias.
- It becomes invalid if the teacher is biased has prejudice against a particular pupil.

ADVANTAGES

- No undue weight age is given to annual or external exams.
- Students will be engaged in study throughout the year.
- They will be more regular, alert and science in students.

Contd...

- Eleventh hour preparation in exams will be reduced to minimum.
- It helps to reduce anxiety and prevent nervous breakdown in students.

DISADVANTAGES

- A teacher may misuse it.
- It can cause a great harm in the hands of an inexperienced, insincere teacher.
- It will lose its validity if favoursim, personal prejudice and subjectivity.

EXAMPLES

Logical Reasoning Assessment

This assessment provides recruiting professionals and hiring managers with a simple method to assess the candidate's ability to draw logical conclusions to inform decision-making process in the workplace.

Contd...

- **Salesforce Skills Assessment**

This assessment provides recruiting professionals and hiring managers with a simple method to assess candidates' basic skills and knowledge about Salesforce. It provides you with expert questions designed to test a candidate's knowledge and understanding of operating Salesforce.

Contd...

Communication Skills Assessment

- This assessment provides recruiting professionals and hiring managers with a simple method to assess candidate knowledge about communication.
- It provides you with 16 expert questions designed to test a candidate's knowledge and understanding.

IMPORTANCE

- Internal assessment enables students to demonstrate the application of skills and knowledge, and to pursue their personal interests, without the time limitations and other constraints that are associated with written examinations.
- The internal assessment helps to give credit in the final assessment.

CONCLUSION

In education, assessment plays an important role in the process of learning and motivation. The types of assessment tasks that we ask our students to do determine how students will approach the learning task and what study behaviors they will use.

ASSESSMENT

1. What is meant by internal assessment?
2. What is the need for internal assessment?
