INTERNATIONAL HEALTH AGENCIES

INTRODUCTION

Danish International Development Agency (DANIDA), is the brand which the Ministry of Foreign Affairs of Denmark, uses when it provides humanitarian aid and development assistance to other countries, with focus on developing countries.

DENMARK has been granting development assistance since the end of the Second World War.

DANISH INTERNATIONAL DEVELOPMENT AGENCY

DANIDA → Danish International Development Agency

DANIDA is the term used for Denmark's development cooperation, which is an area of activity under the Ministry of Foreign Affairs of Denmark.

It was founded in 1962

Headquarters: Denmark

DANIDA CO-ORDINATION

CO-ORDINATION

DANIDA also works in collaboration with the United Nations, the World Bank, regional development banks and the European Union.

DANIDA & INDIA

DANIDA provides assistance for three National Health Programs.

- **DANLEP – LEPROSY**
- **DANTB – TUBERCULOSIS**
- **DANPCB – BLINDNESS**

DANLEP (NATIONAL LEPROSY ERADICATION PROGRAM)

- The program was launched in four districts in three states of Madhya Pradesh, Orissa, & Tamil Nadu.
- It offers infrastructural support, health education, human resource development, program monitoring & prevention & care of deformities

(NATIONAL TUBERCULOSIS ELIMINATION PROGRAM)

- DANIDA assists the Revised national Tuberculosis Control Program since 1966 and is continuing till today

(NATIONAL PROGRAM FOR CONTROL OF BLINDNESS)

DANIDA provides assistance for the services rendered under National Blindness Control Program since 1978.

The assistance is offered in three phases.

PHASE I : Strengthened the infrastructure of Primary Health centers.

(NATIONAL PROGRAM FOR CONTROL OF BLINDNESS)

PHASE II : It set up District Blindness Control Societies in order to develop human resources & to decentralize the services.

PHASE III : Continues the gains of the earlier phases and is proposed to set up national Eye Care Center through its assistance.

AREA OF WORK

- 
- A green circle is positioned at the end of the underlined title "AREA OF WORK". Five blue arrows originate from this circle and point towards the first five items of the list: "Freedom, democracy and human rights", "Growth and employment", "Gender equality", "Stability and fragility", and "Environment and climate".
- Freedom, democracy and human rights
 - Growth and employment

DANIDA ACTIVITIES IN INDIA

Denmark has been giving bilateral development assistance to India since 1963.

Six major areas:

1. Political dialogue
2. Trade and investments

DANIDA ACTIVITIES IN INDIA

3. Research, science and technology
4. Energy, environment and climate
5. Education, cooperation between peoples and culture
6. Attracting foreign labor

CONCLUSION

DANIDA's involvement in community health nursing has proven to be pivotal in advancing the quality of healthcare in underserved areas.

By prioritizing community-based healthcare approaches, DANIDA has empowered local healthcare workers, improved access to essential services, and promoted sustainable health practices.
